

10 WAYS TO MAKE YOURSELF COMPETITIVE

The best way to be competitive is to be accomplished and prepared. Keep track of your successes!

1. Strive for your highest GPA
2. Volunteer in fields you want to pursue academically
3. Obtain three letters of recommendations
4. Join clubs that correspond to what you want to pursue academically
5. Find positions of leadership in your community
6. Play school sports
7. Research topics relating to your passions
8. Learn a skill that not many students possess
9. Network with members of the community
10. Be positive and professional
